TRADEMARK LIST

Updated November 2026

The following are registered and unregistered trademarks, service marks, and other source-identifying indicia ("Mark" or "Marks") owned by Everpure, Inc. or its affiliates in the U.S. and/or other countries. The absence of any Mark from this list does not constitute a waiver of Everpure's trademark or other intellectual property rights with respect to that Mark. Use of any Everpure Mark without written permission from Everpure is prohibited.

Uses of Everpure Marks in publications distributed within the United States should be accompanied with the appropriate ™ or ® symbol on at least the first or most prominent use. For uses on publications distributed outside the United States, do not include the ™ or ® symbols. Instead, Everpure requests the use of this trademark attribution statement:

> *Everpure, the Everpure P Logo, Pure Storage, and the marks on the Everpure Trademark List are trademarks or registered trademarks of Everpure, Inc. in the U.S. and/or other countries. The Trademark List can be found at everpuredata.com/trademarks.*

Where appropriate, Everpure requests listing the additionally used Mark in the attribution statement, if any.

Trademarks are adjectives and should not be used as nouns. Marks should not be pluralized or used as a possessive noun, and should be used with the proper descriptor where allowed. If you are granted permission to use an Everpure Mark, please refer to our Trademark Usage Guidelines for important information regarding proper usage.

Contact trademarks@everpuredata.com if you have questions concerning Everpure Marks. This email address may additionally be used to report inappropriate third-party Mark uses or to request use of a Mark.
